Additional capacity may be purchased by Customer at any time during the Subscription Term, for the remainder of the applicable Subscription Term, based on the same terms of the original pricing calculation (i.e., per user and/or per bandwidth price) set forth in the Order Form.
- 2.7 **Co-Term:** Should any Order be submitted to Videns by Customer for additional Services or CPE (an "Additional Order") during any existing Subscription Term or renewal Subscription Term, the initial Subscription Term of such Additional Order shall be pro-rated to concur with the existing Subscription Term or renewal Subscription Term so that the termination of all current Subscription Terms and all subsequent renewal Subscription Terms shall coincide to take effect on the same date.
